- Dr. Claud D. Evans – Company C-7 – (Oklahoma State University) – Member of the Oklahoma State University Board of Regents for 16 years, including two terms as Chairman.
- Dr. Gerard W. Gawalt – Company A-12 (Northeastern University) – Historian and author of many books chronicling the American presidency; Curator of early presidential papers as well as of several major exhibits on the nation's founding at the Library of Congress.
- Dr. Joseph F. Judkins, Jr. – Company C-15 (Virginia Polytechnic Institute) – Director of the Water Research Institute and Head of the Department of Civil Engineering, Auburn University.
- Dr. Richard E. Sorensen – Company H-8 (Brooklyn Polytechnic Institute) – Dean of the Pamplin College of Business, Virginia Tech, and founding director of the Virginia Tech Corporate Research Center; previously, Dean of the Walker College of Business, Appalachian State University.
- Dr. Elvis Jacob Stahr, Jr. – Company C-1 (University of Kentucky) – President West Virginia University; President, Indiana University; President, National Audubon Society. See also, Government.
- Dr. (Rev.) Daniel J. Sullivan S.J. – Company D-8 (Fordham University) – Professor of Biology Emeritus, Fordham University and internationally known agricultural entomologist. Founding member of Company D-8.

Arts and Entertainment

Recipients of recognized awards (Oscars/Emmys/Golden Globes/etc.); Widely known, regardless of awards.

- James Earl Jones – Company H-1 (University of Michigan) – Award-winning motion picture, stage, and television actor best known as the voice of Darth Vader in the original *Star Wars* trilogy. Widely regarded as one of the greatest actors of his generation. Former Army Ranger.
- Robert Mapplethorpe – Company I-8 (Pratt Institute) – Critically acclaimed photographer who used lighting and shadow to elevate black-and-white photography to an internationally celebrated, though sometimes controversial, art form
- Dr. Brooke Magnanti – Company M-16 (Florida State University) – Best-selling author known for her acclaimed but controversial nonfiction works. Also, a published research scientist and forensic epidemiologist in the United Kingdom.

Industry, Science, Technology, and the Professions

Corporate officers or other significant commercial, financial, industrial, technology, and scientific leadership roles; significant scientific and technical innovations or contributions; recognized for or credited with notable achievements in their fields.

- Bryant Aaron – Company K-8 (Seton Hall University) – Vice President and Chief Compliance Officer, and US Country Head for Ethics, Risk, and Compliance, Novartis Pharmaceuticals Corp.
- Martisse Best – Company M-1 (John Carroll University) – Vice President for Technology Procurement, Pearson Education Management Corp. Previously Global Procurement Manager for Hardware, Software, and Infrastructure, GlaxoSmithKline PLC; Senior Director, Business Operations and Strategic Sourcing, IQVIA Connected Intelligence.
- Colonel Dean E. Calcagni USA, M.D. – Company C-12 (Massachusetts Institute of Technology) – Pioneer in developing battlefield applications of telemedicine while assigned to the US Army Medical Research and Materiel Command; Founder and President, Medical Red Team LLC; Director of Strategic Planning for Biomedicine, The Johns Hopkins University Applied Physics Laboratory; Medical Director for projects at the National Institute of Standards and Technology (NIST) and Defense Health Agency.
- Colonel John W. Dettmer USAF – Company E-1 (University of Cincinnati) – Pioneer in the development of space-based laser systems. Director of the Air Force Space Laser Program Office; original member of the Air Force Manned Orbiting Laboratory Program; principal researcher at the Air Force Plasma Physics Research Laboratory.
- Robert E. DiCenso – Company A-12 (Northeastern University) – Senior Vice President for Personnel and Administration, the Gillette Co., Boston, MA.
- Walter J. Doyle – Company A-8 (City College of New York) – Founder and President of Industrial Data Technologies Corp. (Later acquired by Eaton Corporation).
- Frank Fariello – Company A-8 (City College of New York) – Chairman and CEO of EDO Corporation.

Pershing Rifles Notable Alumni

- Major General Harry D. Gatanas USA – Company A-8 (City College of New York) – President and Chief Executive Officer, Metromedia Fiber Network Government Services Inc.; President of Government Operations, Abovenet Inc., Executive Vice President of Strategic Programs Group, Serco Services, Inc. See also, Military.
- Dr. Arthur Goldman – Company A-8 (City College of New York) – Director, Argonne National Laboratory.
- Forest T. Harper, Jr. – Company J-8 (Morgan State University) – President and Chief Executive Officer, INROADS, Inc., the largest nonprofit organization in the world committed to leadership and career development through paid internships for students from diverse backgrounds; former Vice President, Pfizer, Inc., and President of the Pfizer African-American Leadership Network; board member, National Arthritis Foundation and National Council on the Aging.
- Myron Z. Holubiak – Company K-5 (University of Pittsburgh) – President and Chief Executive Officer, Citius Pharmaceuticals, Inc; former President, Roche Laboratories, AG.
- Dr. Tupper Hyde III – Company C-12 (Massachusetts Institute of Technology) – Chief Engineer, NASA Goddard Space Flight Center.
- William Kawalek – Company M-1 (John Carroll University) – Senior Vice President for Technology Partnership and Business Development, Bank of America.
- Dr. Dennis L. Lambert – Company A-2 and National Headquarters – (University of Nebraska): Noted researcher on medical economics and policy. Senior Scientist, Center for Economic Evaluation in Medicine and Department of Ophthalmology and Visual Sciences, Washington University in Saint Louis. Life Fellow of the American College of Healthcare Executives; Fellow Emeritus, Healthcare Financial Management Association. National Commander, 1969-70.
- Dr. Charles R. Martin – Company L-4 (North Carolina State University) – Chief Nuclear Officer, National Security Technologies, LLC; senior scientist, Defense Nuclear Facilities Safety Board; Secretary, Nuclear Installation Safety Division Program Committee, American Nuclear Society; Fellow, Washington Academy of Science; Glenn T. Seaborg Congressional Science and Engineering Fellow; Assistant Professor and Fellow, United States Air Force Academy.
- Frederick L. Rost II – Company L-1 (University of Toledo) – Senior Director for Space Systems, Sierra Nevada Corp. Space systems visionary who spearheaded development of key space-based defense, logistical support, and exploitation technologies for the National Aeronautics and Space Administration (NASA), National Security Agency (NSA), Defense Advanced Research Projects Agency (DARPA), and the U.S. Air Force.
- Roger R. Stork – Company A-2 and National Headquarters (University of Nebraska) – National Sales Director, Ralston Purina Co. National Commander, 1963-64.
- Lee Sullivan – Company A-8 (City College of New York) – President and Chief Executive Officer, North American Freudenberg Spunweb Co. and Freudenberg Nonwovens Co., a \$4 billion global leader in the development and production of lightweight fibers for industrial and home uses. Served on the Freudenberg Nonwovens Group Executive Committee that oversees approximately \$900 million in global sales. Chairman of INDA, the global trade association of the nonwoven fabrics industry; received the INDA Lifetime Achievement Award and inducted into the INDA Hall of Fame.

- James A. Titmas PE – Company D-1 (University of Akron) – Noted inventor and innovator credited with development of the gravity vessel pressure waste conversion system known as the Titmas Process, which converts waste biomass into renewable energy and other bio-derived products. Holder of 31 patents directly relating to the conversion of organic wastes to bio-fuels and bio chemicals, and the control of emissions from combustion. Chairman and Chief Executive Officer of GeneSyst International, which operates biomass conversion facilities in more than 20 countries.
- Greg Wenzel – Company Y-1 (Clarion University of Pennsylvania) – Executive Vice President and program lead, Army and Global Defense Battlespace Solutions, Booz Allen and Hamilton, Inc.

Government

State Governors, US Senators, Members of Congress; Cabinet-level appointees (Secretary/undersecretary/deputy secretary, etc.); State or Federal agency head, deputy, or prominent member; Chair or member of State or Federal boards or commissions

- Colonel Reginald E. Allen USA – Company N-4 (North Carolina A&T University) – Associate Administrator, Federal Transit Administration; Deputy Chief of Staff, U.S. Environmental Protection Administration; Chief of Staff to the Undersecretary of the Army.
- Hon. Bushrod W. Burns, Jr. – Company E-4 (later C-15) (Virginia Polytechnic Institute) – Justice of the United States Court of Appeals for the Armed Forces.
- Colonel Charles S. Ciccolella USA – Company G-4 (Auburn University) – Assistant Secretary of Labor for Veterans Employment and Training; Later, Executive Vice President for Economic Empowerment, Wounded Warrior Project and Chair, National Coalition for Homeless Veterans. See also, Hall of Valor.
- Nelson Gibbs – Company G-8 (Clarkson College) – Assistant Secretary of the Air Force.
- Colonel William Hayward USA – (University of Nebraska) – Founding member of the Pershing Rifles; US Attorney for the Southern District of New York. See also, Hall of Valor.
- Colonel Larry J. Herke USA – Company N-2 (Minnesota State University) – Commissioner, Minnesota Department of Veterans Affairs.
- Major General Donald L. Jacka USA – Company G-7 (Kansas State University) – Secretary of Agriculture, State of Kansas. See also, Military.
- Harvey Johnson III – Company J-8 (Morgan State University) – Deputy Assistant Secretary for Resolution Management and Acting Executive Director, Office of Diversity and Inclusion, Department of Veterans Affairs.
- Sean Mahon – Company D-8 (Fordham University) – Senior Vice President and Chief Technology Officer, Federal Reserve Bank of New York.
- Major General Sidney McMath USMC – Company D-7 (University of Arkansas) – 34th Governor of Arkansas, who championed rural electrification, massive highway and school construction, and building the University of Arkansas for Medical Sciences; President, Marine Corps Reserve Policy Board. See also, Hall of Valor.
- Aris A. Pappas – Company A-8 (City College of New York) – Senior Intelligence Service Officer and Chief of the Russian Division, Central Intelligence Agency, during the Cold War and beyond.
- General Colin L. Powell USA – Company A-8 (City College of New York) – Secretary of State. See also, Military and Hall of Valor.

Pershing Rifles Notable Alumni

- Colonel Charles Burton Robbins USA – (University of Nebraska) - Member of Pershing’s original Company A, which became the Pershing Rifles; Assistant Secretary of War 1928–29.
- Hon. Robert Rodriguez – Company D-8 (Fordham University) – Principal Deputy Assistant Secretary of the Army (Manpower & Reserve Affairs) 2007-2009.
- George L. Sheldon – (University of Nebraska) - Commander of Pershing’s original Company A; founding member of the Varsity Rifles, which became the Pershing Rifles; 14th Governor of Nebraska.
- Elvis Jacob Stahr, Jr. – Company C-1 (University of Kentucky) – Secretary of the Army. See also, Academic.
